

The Knowledge Transfer Company

We understand your need to use Pop-up blockers but you must disable them for your course to work correctly.

Below are the most common Pop-up blockers. Click on the one that you have and it will show you the easiest way to disable it for the duration of your course or test.

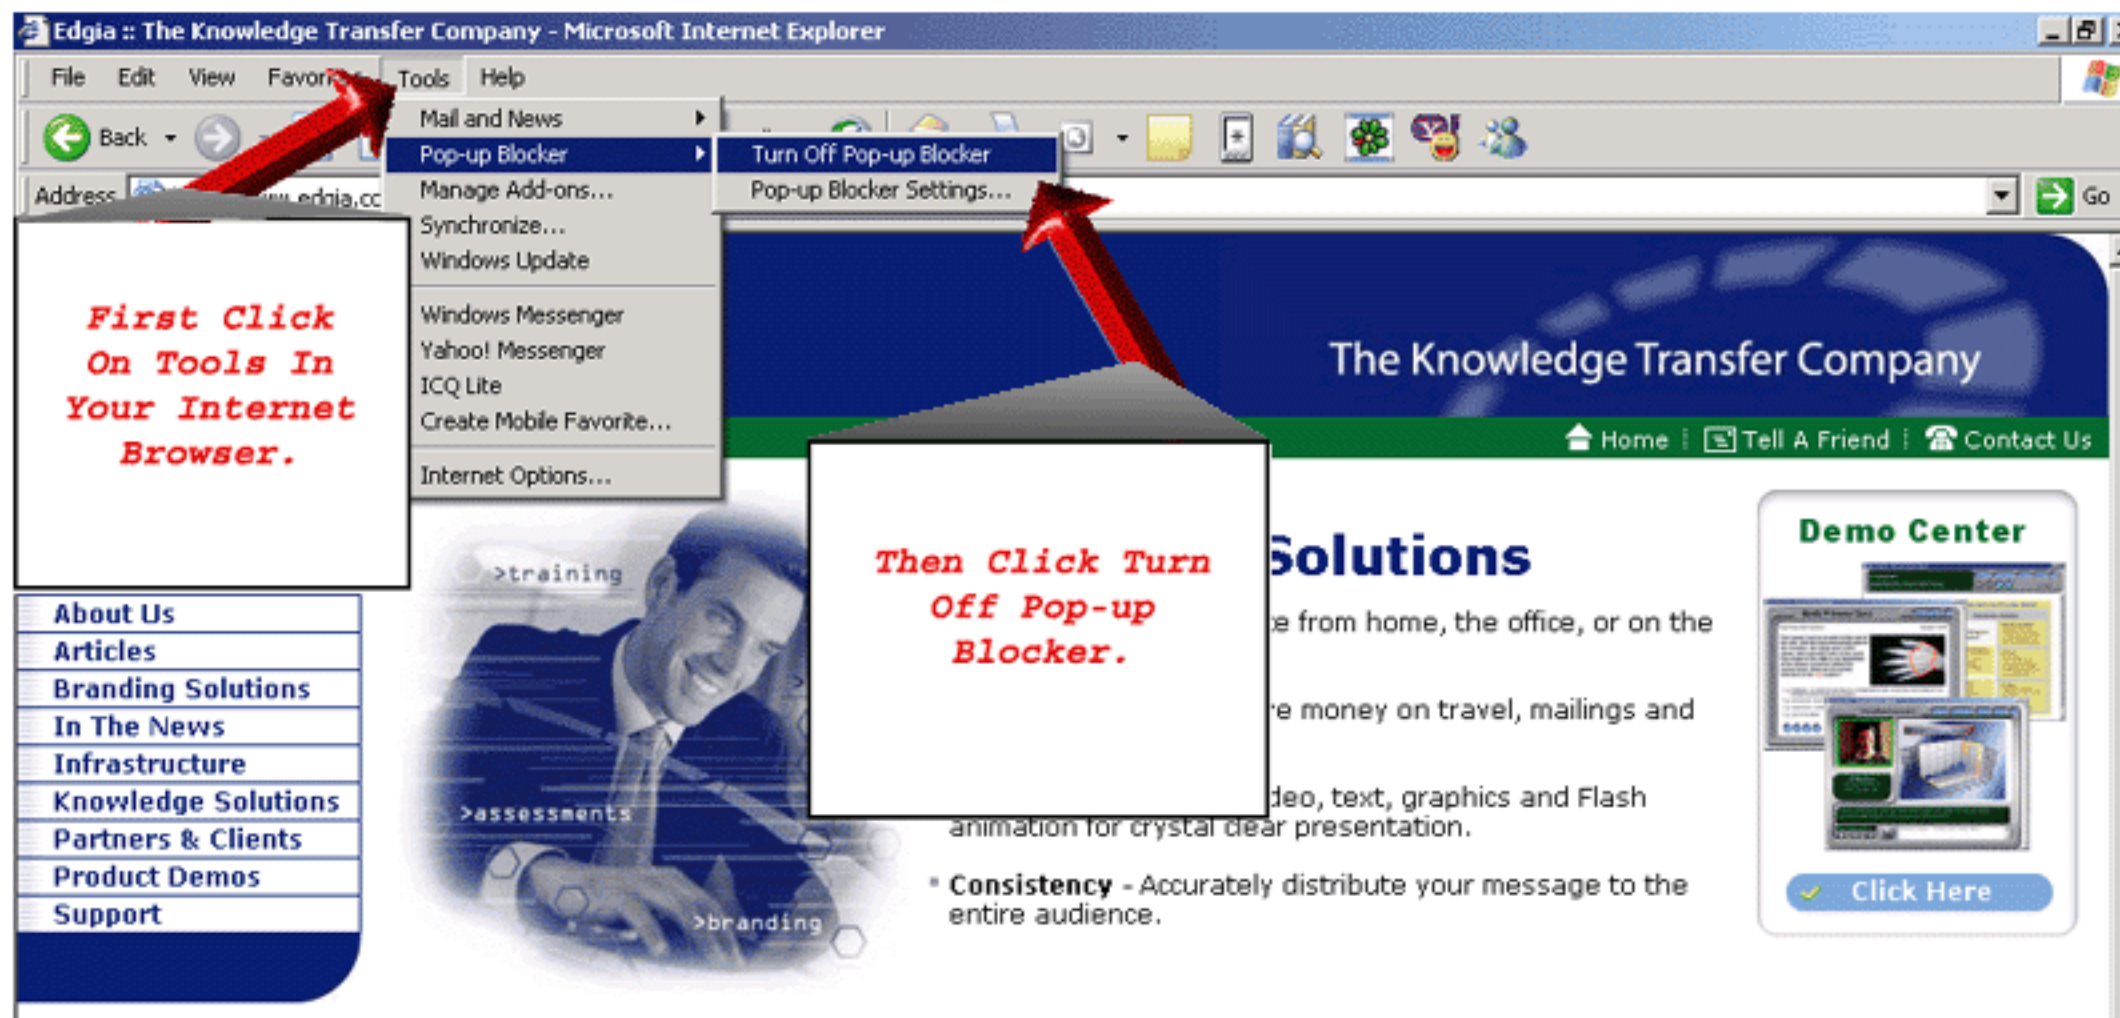

Pop-up blocker examples listed on pages 2 and 3.

Yahoo Toolbar

Windows XP

Google Toolbar

The screenshot shows the Google Toolbar Options dialog box. A red arrow points to the 'Options' button in the toolbar. A text box says "First click on Options." Another red arrow points to the 'Popup Blocker' checkbox in the 'Accessories' section, which is currently checked. A text box says "Then Uncheck Popup Blocker." The dialog box includes sections for 'Page Information' (PageRank, Page Info menu), 'Accessories' (Popup Blocker, AutoFill button, BlogThis!, News button), and 'Configuration' (Options button). Buttons for 'OK', 'Cancel', 'Apply', and 'Help' are at the bottom.

StopZilla

The screenshot shows the 'CONFIGURE OPTIONS' dialog box for StopZilla. The current status is 'BLOCK'. There are 'ALLOW' and 'BLOCK' buttons. A green cartoon dragon is on the right. Below are four checked options: 'Auto-enable STOPzilla whenever my computer starts.', 'Display "Warning" whenever a new pop-up is detected.', 'Play audible alarm whenever a pop-up is detected.', and 'Automatically add all detected pop-ups to BLACK LIST.' Buttons for 'CLOSE WINDOW' and 'VIEW BLACK LIST' are at the bottom, along with the 'STOPzilla' logo.

The screenshot shows the Windows taskbar. The StopZilla icon is right-clicked, opening a context menu. A red arrow points to the 'ALLOW Popups' option. A text box says "Right Click The Icon Then Click ALLOW Popups." The taskbar shows 'Done', 'Start', and several open applications: 'Microsoft Word', 'about:blank - Microsoft I...', and 'STOPzilla HELP! - Microso...'. The system tray shows the time '10:22 AM Tuesday'.
